

**Unlock Your UK Nursing Career with
Mentor Merlin's**

VC OSCE PROGRAM

Following the guidelines outlined in the '*Visiting to
Complete an Exam*' entry route by GOV.UK.

Why the Visitor Visa Route is the Smart Choice?

- **Take advantage of the opportunity to complete your OSCE while your IELTS/OET certificate is still valid.**
- **Achieve your NMC PIN and enhance your chances of being recruited directly as an Registered Nurse Band 5 applicant.**
- **UK healthcare institutions continue hiring international nurses, but positions fill quickly—act now to secure your spot.**
- **Unlock exclusive benefits as a Merlin VC OSCE candidate such as expert guidance, CPD certification, first-attempt pass assurance, and placement support.**

Benefits of Passing OSCE on the First Attempt

Save

Streamline

Stand Out

Save Significant Costs

Passing on your first attempt saves you up to £1,500 in resit fees, travel, and accommodation costs, making it a financially sound decision.

Earn 100 CPD Hours

Achieve 100 CPD hours upon completing our accredited program, showcasing your commitment to professional development and excellence in UK healthcare.

Streamline Your Career Progression

Avoid the delays and stress of multiple attempts, allowing you to focus on advancing your nursing career without interruptions.

Gain a Valuable Credential

Mentor Merlin's First Attempt Pass Certification not only enhances your professional profile but also sets you apart as a skilled candidate for employers. With free employer verification available through www.acvsg.com, your certification gains added credibility and trust.

Mentor Merlin's VC OSCE Package

Your All-in-One Pathway to Success

Empowering international nurses to pass the OSCE exam with ease, Mentor Merlin provides everything you need, from visa assistance to training and placement. Let us guide you on this transformational journey to secure your dream career in the UK healthcare system.

The Visitor Visa Route provides an expedited and reliable pathway for nurses to complete their OSCE exam and secure the NMC PIN, ensuring faster entry into the UK workforce amidst competitive recruitment trends.

01.

VISA Assistance

Navigate the visa application process with confidence. Mentor Merlin's expert team provides end-to-end guidance, ensuring all documentation is accurate and increasing the likelihood of approval. Start your OSCE journey stress-free with our support.

02.

OSCE Training

Prepare for success with Mentor Merlin's structured training program: 2 days of foundational learning in your home country, 10 days of comprehensive online training, and 6 days of hands-on coaching in the UK near the exam center. This multi-step approach ensures you're fully prepared for the OSCE.

03. **Accommodation**

Stay in comfort with up to 10 nights of shared, quality lodging arranged near the training and exam centers. Our accommodations are designed to provide a relaxing environment to focus on your studies and exam preparation.

04. **Transportation**

Enjoy seamless airport pick-up and drop-off services in the UK, eliminating logistical challenges so you can focus entirely on your OSCE journey. Mentor Merlin ensures a smooth and worry-free experience from the moment you arrive.

05. **Placement Assistance**

Access to Mentor Merlin's extensive network to connect with UK healthcare employers. Higher chance of getting placed in the UK as a registered nurse if you follow and achieve the guidelines set by Mentor Merlin.

06. **First Attempt Pass**

We're committed to your success. Mentor Merlin's program offers a first-attempt pass guarantee for the OSCE exam. With our proven training methodologies and dedicated support, you can confidently aim to clear the OSCE on your first try, saving time, money, and effort.

07. **Financial Support**

To ease your stay in the UK, our package includes £300 in cash support for meals, travel, or other daily expenses. Focus on your preparation while we handle the essentials.

"With end-to-end support, Mentor Merlin ensures your success at every step, from visa application to placement assistance. Our package is designed to provide convenience, affordability, and guaranteed results"

Steps to Get Started

Step 1

Begin your NMC Application

Start by applying to the Nursing and Midwifery Council (NMC) and securing an invitation for the Test of Competence exams (OSCE & CBT). Mentor Merlin provides guidance to ensure all documentation, including OET/IELTS, is valid and your application process is seamless.

Step 2

Apply for a UK Visitor Visa

Work with Mentor Merlin's visa experts to prepare a strong application with essential documents like OSCE exam confirmation, training details, and accommodation proof. Secure your visa before moving forward confidently.

Step 3

Start OSCE Training

Begin with 2 days of foundational training in your home country, followed by 10 days of online sessions. Mentor Merlin provides exclusive resources like the Merlin Book of OSCE and Result Booster Kit for comprehensive preparation.

Step 4

Onsite Training and OSCE Exam in the UK

Travel to the UK for 6 days of focused, hands-on training near the exam center. With expert guidance and logistical support from Mentor Merlin, you'll be ready to pass the OSCE on your first attempt.

Step 5

Placement Assistance

After passing the OSCE, Mentor Merlin helps you connect with employers actively hiring PIN-certified nurses. Your CPD-accredited certification and first-attempt success ensure you stand out in the competitive job market.
